The 11th International Conference on Machine Learning and Applications Applications (ICMLA 2012)

December 12-15, 2012, Marriott Hotel, Boca Raton, Florida, USA

<http://www.icmla-conference.org/icmla12/>

We coordinately invite you to submit papers to the Eleventh International Conference on Machine Learning and Applications (ICMLA), which will be held in December 12-15, 2012 in Boca Raton, Florida, USA. The aim of the conference is to bring together researchers working in the areas of machine learning and applications. The conference will cover both theoretical and experimental research results. We strongly encourage submission of machine learning papers describing machine learning applications in fields like medicine, biology, industry, manufacturing, security, education, virtual environments, game playing and problem solving.

Main Conference: For general information about main conference programs and paper submission details, please contact the program co-chairs (dacheng.tao@uts.edu.au or reform@ece.ualberta.ca)

Special Session and Workshop: Each year ICMLA organizes several special sessions and workshops in parallel to the main conference. All special session and workshop papers will be included in the conference proceedings (in a second volume), which will be included in the IEEE digital library. Research groups interested in organizing a special session should contact conference co-chairs (taghi@cse.fau.edu or xingquan.zhu@uts.edu.au) by May 31, 2012.

Main Conference Paper Deadline:	July 6, 2012
Special Session Paper Deadline :	August 6, 2012
Notification Date (main conference):	September 7, 2012
Camera Ready Submission:	October 1, 2012
